4.21.20 UPDATE - WIAA cancels 2020 spring season

With a heavy heart, I pass this information on to you today. Local news agencies reported this afternoon that the 2020 spring season has been cancelled. While we have not yet received an official statement from the WIAA, the news of the cancellation was anticipated. The cancellation comes as Governor Evers extended the safe at home order through May 26 and closed all schools (public and private) through the remainder of the 2019-2020 school year (June 30).

While it is certainly difficult for us to understand the why and the how this has so greatly impacted our daily routines and now its impact on our spring season, we can continue to look at the blessings which God provides to us throughout this adversity. He continues to give us opportunities to encourage and support one another. He continues to give us the most important blessing – the ability to stay in His Word – to daily strengthen our faiths and the faiths of those around us.

And now as we move forward, there are a number of items on the horizon.

- We are working on ways to honor and recognize our spring sport seniors, who have now lost their entire spring season.
- We are working on a refund procedure for athletic fees that were paid for this spring season. More details to follow.
- Track uniforms that were handed out to some juniors and seniors should be returned. Please make arrangements with Coach Schibbelhut.

This continues to be a fluid situation. Please watch for more details as they become available.

Blessings to all as you continue to stay “safe at home”. If you have any questions, please feel free to contact [Mr. Joel Babinec](#)
