4.27.20 Spring Sport Athletic Fee Refunds

It surely is disappointing for student-athletes, for coaches, for parents, for grandparents and for other family members as we now wrestle with the loss of an entire sport season. None of us initially envisioned such a wide-reaching impact this COVID-19 situation would bring. Teams are challenged every season with a variety of adversity and I'm not sure I could think one bigger than this. At the same time, I know that as big as it seems, we are assured that as we face these challenges, we do not face them alone. Our great God stands beside us, helps us through it, and brings us closer to Him as a result of it! Even in this – to God be the glory!

In the coming days, refunds for spring sport athletic fees will be processed. Depending on your situation you may see:

- No refund as family max was established and the spring season was your “free” season.
- Full \$85 refund
- Partial Refund of \$5 as the family max (\$260) was paid and this was your family's 4th season of participation (which amounts to \$5).

- If you have a remaining balance on your tuition/fees for the 2019-2020 school year, your refund will be applied to that outstanding balance.
- If your tuition/fees have been paid in full, you will receive a check in the mail.

If you have any questions, please feel free to contact me.
