

Yesterday, Governor Evers extended the “Safer At Home” orders for another month and closed all public and private schools for the remainder of the 2019-2020 school year. While the WIAA does not meet until April 21 to make any decision on the spring season, the governor’s orders certainly cast a dark shadow over any potential spring season. We will wait to make any final judgments, however, until after the WIAA reaches some final decisions.

The athletic department has and is continuing to consider all of the next steps, depending on the actions of the shut down, and now waiting for the WIAA to weigh-in.

Some things that are in the works include:

- Ways to honor our Senior Spring Sport Athletes for a “lost season”.
- Refunds of athletic fees for the spring season
- Sport Participation Surveys for the 2020-2021 school year - normally done in school, will now need to be completed online - WATCH for a SKYLERT about this in the coming weeks.
- A new method for refunds of Boys Basketball Sectional tickets that were sold will be developed.
- Discussions already had taken place and will continue as well on a Coulee Conference level as to how best to cope with the loss of this spring season.
- Discussions have been on-going with regards to ways in which we can recognize our boys’ basketball team, who had their season cut short. These discussions also took place at a WIAA level. Nothing has been finalized at this point

As soon as details for all these things become more clear and directions become more final, I will share that with you.

For now, keep in mind that while there is so much uncertainty these days, so many differing opinions, so many changes that we are experiencing.....there is ONE thing that is certain, that never changes, and is not a matter of opinion - God loves each one of us, so much that he sent His Son. What a wonderful reminder we all experienced in the past month as we attended services virtually. What a blessing that we could continue to gather in the Word, albeit in a completely different manner. What a blessing it will be to one day join together again in our public worship of an unchanging, all-loving God!
