Dear Mr. Wichmann:

The Board of Directors of the Wisconsin Religious and Independent Schools Accreditation (WRISA) met in November to review the Annual Report and Long Range Plan documents for schools that did not host a Site Visit during the 2010-11 school year.

After a careful review of your documents, the Board is pleased to announce that Luther High School is accredited for the 2011-2012 school year. Congratulations!

Thank you for your leadership in carrying out your school's unique mission. Please extend our congratulations to your leadership team, staff, and parents for their continued commitment to school improvement and for maintaining WRISA's high Standards.

Your school's Certificate of Accreditation and a press release are enclosed. Please share the good news with your community members and the general public. In addition, your name is included on the WRISA website: www.wrisa.net.

According to our records, **your last Site Visit was 4/13/2005. The next due date for submitting Visiting Team documents is 6/1/2012.** If your records differ, please contact the WRISA Executive Director immediately.

If you are hosting a Visiting Team during the 2011-12 school year, your Visiting Team Report and new Long Range Plan must be submitted to your jurisdiction's WRISA representative by June 1, 2012. You will receive information in April regarding this.

If you are not hosting a Visiting Team during the 2011-12 school year, you will submit an updated Annual Report in September, 2012. You will receive information in August regarding this.

Again, congratulations! May you have a successful school year. If you have any questions, please contact your jurisdiction's representative.

Sincerely,

Beatrice Weiland
Executive Director, WRISA
