Kindergarten Fun n Fitness Day

One hundred sixty-two kindergarten students led by students from the Life Fitness class, filled Luther High's gyms, choir room and mezzanine for 2.5 hours of physical activity during the 10th annual Kindergarten Fun & Fitness Day. The future Luther students came from the Association schools. In the choir room, a copious amount of multi-colored balls were launched during "Oscar's Garbage Can". The ACE hallway had students performing their best frog imitations

with lots of hopping and jumping. The ever popular climbing wall in the mezzanine challenged the young ones to stay off of the big, soft mats below the wall. Foam pool noodles were gently used in various tag games, while scooters were quickly, but safely moving around the auxiliary gym. The energetic Class of 2021 sure knew how to have fun, meet new people and learn some new activities. What a blessing to have so many students as potential Luther Knights!

Jr. Knight Wrestling

Twenty-six Jr. Knights took to the mat this winter learning the basics of wrestling with Coach Benrud. The boys practiced twice a week and traveled to area wrestling tournaments to complete Luther's Jr. Knight Wrestling Program. The season ended with a pizza party filled with games and fun activities. Many thanks to all of the coaches, parents and students who took part in the program. Special thanks to Jason Benrud, Jarod Benrud and Ron Poppie for providing invaluable leadership to these young men!

Housing Request

At this time we are already aware of the need to provide housing for one student and if the past is any indicator in the next weeks the request for additional student housing may arise.
