La Crosse Memorial Day Parade - Monday, May 30, 2011

- Be at the line-up area no later than 8:30 (The parade starts at 9:00).
- We will meet in the Wells Fargo parking lot on King Street, between 5th and 6th Streets
- The parade ends on East Avenue, just north of the UW-Alumni Center after marching through the Oak Grove Cemetery.
- The map shows the official parade route, but we will column through the cemetery to the other side, on East Avenue. That is where every student should be picked up.
- Please remember what this day is all about – please be quiet and respectful, especially as we go through the cemetery.

Other notes:

- If our performance will be cancelled due to inclement weather, I will try to reach each contact parent and leave a message on Luther's automated service. To reach the automated message, call Luther High School at (608) 783-5435 and then press 1 for cancellations.
