## October Luther Light

Congratulations to the Luther Light for October, Bennett Loersch from Onalaska, WI. Bennett is the son of Mark and Lisa Loersch and is a member at St. Paul's Lutheran Church in Onalaska, WI. Before Luther High School, he attended St. Paul's Lutheran School in Onalaska.

While at Luther, Bennett has participated in Football, Cross Country, and Basketball. He has been a member of Cantate and Concert Choir, along with being a member of the Wings, Pro-Life Knights, and RejuvaKnights groups. Bennett has also been a member of Student Council all four years and was elected Student Body President for the current school year. He has served as a delegate for the Badger Boys State program as well.

Bennett volunteers by helping with various activities in his church, such as serving as a Vacation Bible School Counselor, a church usher, and a youth group volunteer. He has also played an active role in volunteering at the Good Steward Store and serving as a basketball coach for St. Paul's Short Shots and at the Knights basketball camps.

In his spare time, Bennett enjoys designing and building clocks, tinkering with and repairing electronics, playing basketball, and hanging out with friends and family.

At this time, Bennett's plans for after graduation from Luther High School are undecided, but he is looking at possibly majoring in mechanical engineering.

## Wisconsin Parental Choice Informational Meeting

The partnership of parents, students and staff working toward the common goal of providing Christ-centered education to help equip and train students for life and for eternity is, indeed, a blessing.

To strengthen that partnership Luther High School is inviting you to attend an informational meeting on Wednesday, November 14. Whether your child is a current Luther High student or is considering enrolling, this meeting is for you. From 5:00-6:00 PM you will have an opportunity to learn about enrollment, tuition assistance, the Wisconsin Parental Choice Program, curriculum, timelines for submitting required documentation, and other helpful information. Members of Luther High's Board of Control and Luther High's Administration will be present to share this information and answer any questions.

Plan to join us in Luther High's Chapel/Auditorium for this informational meeting from 5:00-6:00 PM on Wednesday, November 14.

## Grandparents' Day

Grandparents, would you like to have a delicious breakfast, attend a dazzling performance, and go back to... school? You heard us right! Grandparents of Luther High School students prepare for a spectacular day spent attending class with your grandchildren! Grandparent's Day is Friday, October 19, 2018, and begins with a continental breakfast. Next, grandparents will have the opportunity to attend chapel and two classes with their grandchildren. Luther High's Sound Foundation will also perform for the grandparents and their grandchildren! Make sure to ask your grandchild about Grandparent's Day, and be ready for a terrific time! Please RSVP to Luther by Tuesday, October 16.

## Veterans Day Service

Please join us in the Luther High School Chapel Auditorium for a Veterans Day Service on Friday, November 9, 2018, at 9:45 a.m. We will honor the veterans of the Armed Forces of the United States of America giving thanks to God for their service to our Lord and to our country.
