

## Luther High School Bus Transportation: 2020-2021

In an effort to reduce bus transportation costs the Board of Control adopted the policy that the Luther High School buses follow the most direct and convenient routes with designated pick-up points. It is, therefore, often necessary for students to come a short distance to meet the bus. Any requests for a bus to deviate from the route may be made to the Board of Control.

**Please note that these routes are subject to change at the discretion of Luther High School.**
