## Notes:

- ❖ All required credits must be completed with a passing grade
- ❖ Courses that are Advanced Placement (AP) and Bethany dual credit college courses are honors courses (A=4.333, B=3.333, etc. instead of A=4.0, B=3.0, etc.)
- ❖ 🎵 Fine Arts graduation requirements are one of the following:
  - 1 semester of either a music classroom course (Music Appreciation 9-12, Music Theory 11-12, Digital Music 11-12)  
OR
  - 4 semesters of any music performance course(s) in any combination of (Band 9-12, Cantate Choir 9, Concert Choir 10-12)
- ❖ A Sophomore taking a world language class may opt not to take Geography/Health during the Sophomore year. Those students, however, must still meet the Social Studies & Phy Ed requirements for graduation by taking Geography/Health or, if there is a scheduling conflict with another required course a substitute approved by the Registrar.
- ❖ Φ Eastern Geography or Western Geography is required. The other can be taken as an elective.
- ❖ Juniors are STRONGLY encouraged to take both Chemistry and Algebra II
- ❖ \* courses marked with an asterisk are online courses that typically incur additional tuition fees that are not part of the LHS tuition
- ❖ Less than 4 credits in Religion may be allowed for transfer students
- ❖ Some courses have limited enrollment opportunities (e.g. Robotics, Digital Video, Art). Preference is generally given in the following order: seniors, juniors, sophomores, freshmen.
