Luther Knight Youth Sport Camps are designed to offer students a sports experience that not only focuses on building skill and technique, but also emphasizes the importance of "building for the future" through dedication on and off the field or court. This is emphasized through Christ-centered coaching and teaching that correlates how lessons on the field can follow through to making good life choices that center around our Christian beliefs and attitudes.

Our coaches are experienced in sports training as well as being Christian educators. They offer students a unique experience that supports building sport ingenuity, life lessons, and faith. During camp, students may gain experience, skills, and knowledge of their chosen sport(s). They also have the opportunity to meet new friends and learn what being a Luther Knight is all about! Luther Knight Youth Sports Camps welcomes students from all levels of experience and works with the individual to assist them in their building and learning.
